I-Learners has partnered with Space City Tutoring and Learning Center to offer training classes for parents.

Who is this for?

- Parents who want to see A's and B's in their children's report card grades.
- Parents who are busy, stressed, single parents, or have limited resources.

What is it?

- A 5-week class individualized for each parent's goals.
- Parents will learn the 7 keys to help their children succeed.

What are the results?

- Higher exam scores and grades, and educational satisfaction for the children.
- Meeting the goals established by the parents.

Pay only for results. The program has been so successful that we offer a 100% money back guarantee with no questions asked. Your children will thank you!
